Fascinating Bits of Texas History at our February Meeting: Birth of Texas Series

Mike Vance, Houston Arts and Media (HAM) founder, was our guest speaker. HAM merged with The Heritage Society in 2016. HAM is a non-profit organization that creates innovative ways to educate Texans about their history. The organization continues to fashion projects of their own as well as work with dozens of other groups, agencies and school districts to build a variety of highly acclaimed projects.

Mike conceived and managed the notable Houston mural, Mexican-American History & Culture in 20th Century Houston, and oversees programming both on and off the Heritage Society campus in downtown Houston. He has recently become Creative Director for Bright Sky Publishing.

In line with HAM’s mission, Mike created Birth of Texas series, consisting of eight feature-length documentaries about the early history of Texas. Unfortunately, Mike was unable to show the San Jacinto video part because the cord to connect the projector had disappeared. Amazingly, he did an “off the cuff” brilliant talk about new findings and research regarding people and events at San Jacinto. We were completely mesmerized! It was the perfect way to prepare us for our March field trip. Big thanks to Mike!

San Jacinto Chapter Donates Brick

The board voted to donate a brick to the DRT headquarters in Austin. Our chapter is now represented there with our name inscribed on the brick. How fine is it to have a SJC visible presence at headquarters.

Thank you to members who suggested I send a grant request to Texas Native License Plate. Our request for support of new HVAC system for the Pioneer Memorial Log House was delivered. Keep your fingers crossed that they will be able to make a contribution. Sharolyn Wood continues to get bids for the necessary projects to help us preserve and maintain our historic log house. If you have any funding suggestions, please let me know. Approximately $130,000 is needed to fund the identified projects. Let us hope that there aren’t any hidden expenses lying under the floor or walls. Just like our own homes, there are always expenses to keep things running in good repair.

We have received about $30,000 and will get started with the foundation this spring, now we need $100,000 more to complete the rest of the projects!

In Memoriam
Opal D. Rainey
August 25, 1923 - February 6, 2019

Opal Louise Dorman Rainey, 95, passed away peacefully on February 6, 2019. Opal was the only child of John Thomas Dorman and Lena Mae Miller Dorman, who predecease her. She was born in Albany, Shackelford County, Texas on August 25, 1923. After moving to Corsicana in the mid-1930s, she met her husband-to-be, Edwin Arnold (Bud) Rainey. Bud and Opal married on June 16, 1943 and were married for over 75 years. Bud survives her, along with their only child, Tonya Alece Rainey Anderson and husband, John A. Anderson, Jr. Also surviving Opal is their only grandchild, Steven Bryan McCary and three great grandchildren, Ewan Alexander, Ashley Alece and Ansley Marie McCary, along with their mother, Erin Davis McCary, and long-time family friend, Sally Evans.

Bud and Opal are decades-long active members of First Christian Church, where Opal was involved in all facets of hospitality; from planning menus, cooking, serving, decorating, and cleaning, for luncheons, dinners, after church fellowships, weddings, and funerals.

A memorial service was held Tuesday, February 12 in the First Christian Church Chapel, 1601 Sunset Blvd. In lieu of flowers, the family requests donations to the Disciples Women's Ministry of First Christian Church, or The Houston Gilbert and Sullivan Society, P.O. Box 741267, Houston, TX 77274-1267.

Opal's daughter, Tonya Rainey Anderson, is a member of the San Jacinto Chapter. Please keep Tonya and Opal's family in your thoughts and prayers.

Sally Whittington shared this story as a tribute to Opal's life.

When I arrived for the service, cars were circling the block trying to find a place to park. After finally finding a place to park, I went in to the Chapel where the service was to be held. People were actually coming OUT! I thought, "did I miss it?"

No, there were too many people for the chapel! They had to move it to the sanctuary! What a nice tribute to a great lady!

Texas Independence Day Celebration

On Saturday, March 2, 2019 at 10:30 a.m. the San Jacinto Chapter of the Sons of the Republic of Texas (SRT) is sponsoring a ceremony under the Statue of General Sam Houston at Hermann Park to commemorate the 183rd anniversary of the adoption of the Texas Declaration of Independence at Washington-on-the-Brazos. The public is invited and encouraged to attend.

Officials of the Sons of The Republic of Texas will be speaking about the impact of the approval and signing of the Texas Declaration of Independence had in shaping modern day Texas. We will read the famous letter from the Alamo by Col. William Barret Travis calling for reinforcements. We will conclude the ceremony by leading everyone in a toast to all those brave men who signed the Texas Declaration of Independence. The toast will be with good old Texas water.

Recognized by state statute as an official state holiday, Texas Independence Day originally began with the approval and signing of the Declaration of Independence by the 56 delegates to the Convention that met at Washington-on-the-Brazos beginning on March 1, 1836. On the first day, Convention President, Richard Ellis, appointed a committee composed of George C. Childress, James Gaines, Edward Conrad, Collin McKinney, and Bailey Hardeman to draft a declaration of independence.

George Childress, the committee chairman, is generally accepted as the author of the Republic of Texas Declaration of Independence, with little help from the other committee members. Since the six-page document was submitted for a vote of the whole convention on the following day, Childress probably already had a draft version of the document with him when he arrived. As the delegates worked, they received regular reports on the ongoing siege on the Alamo by the forces of General Santa Anna's troops.

A free and independent Republic of Texas was officially declared March 2, 1836, when the 56 delegates present—each representing one of the settlements in Texas—unanimously approving the declaration. The 56 delegates who were present signed the Texas Declaration of Independence on March 3, 1836, and 3 others signed later. After the 59 delegates signed the original declaration, 5 additional copies were made and dispatched to designated Texas towns of Bexar, Goliad, Nacogdoches, Brazoria, and San Felipe. 1,000 copies were ordered printed in handbill form. Most of the original copies have been lost over the years.

The Sons of the Republic of Texas and the Daughters of the Republic of Texas are 501(c)(3) organizations whose missions are to perpetuate the memory and spirit of the people who achieved and maintained the independence of Texas and to encourage historical research into the earliest records of Texas, especially those relating to the revolutionary and republic periods. The SRT and DRT encourage the preservation of documents and relics, the publication of historical records and narratives, and the celebration of important days in the state's history. They also encourage the teaching of Texas history in schools and sponsor numerous scholarships. The public is invited to join us at 10:30 a.m. under the Statue of General Sam Houston to honor the brave men who took that first important step toward making Texas what it is today!
