PLEDGE OF ALLEGIANCE TO THE UNITED STATES FLAG
"I pledge allegiance to the Flag
of the United States of America,
and to the Republic for which it stands;
One Nation under God, indivisible,
with liberty and justice for all.”

PLEDGE TO THE TEXAS FLAG
“Honor the Texas Flag,
I pledge allegiance to thee, Texas,
One state under God, one and indivisible.”

TEXAS, OUR TEXAS
Adopted as Official State Song May 28, 1929
Texas, our Texas! All hail the mighty State!
Texas, our Texas! So wonderful, so great!
Boldest and grandest, withstanding ev’ry test;
O Empire, wide and glorious, you stand supremely blest!

Chorus

Texas, O Texas! Your freeborn single star
Sends out its radiance to nations near and far,
Emblem of freedom! It sets our hearts aglow,
With thoughts of San Jacinto and glorious Alamo.

Chorus

Texas, dear Texas! From tyrant grip now free,
Shines forth in splendor your star of destiny!
Mother of Heroes! We come, your children true,
Proclaiming our allegiance, our faith, our love for you.

Chorus

CHORUS God bless you, Texas! And keep you brave and strong
That you may grow in power and worth throughout the ages long. repeat

Texas Daughters

To pause in soft reflection,
To remember those so dear,
Who’ve come and gone before us
Is why we’ve gathered here.

It’s not to mourn their passing
For who is really gone?
As long as we remember them
Their legacy lives on.

Our strength lies in the memory
Of a smile or caring touch
And the thousand little moments
That helped so very much.

The lessons learned through hardship,
Through their suffering and despair,
Were yet so freely passed to us
With love and tender care.

Texas has her favorite sons
Who’ve cast their bread upon the waters.
But each loaf was baked by the loving hands
Of gallant Texas daughters.

SAN JACINTO CHAPTER OF THE
DAUGHTERS OF THE REPUBLIC OF TEXAS
ENDOWMENT TRUST

The San Jacinto Chapter of the Daughters of the Republic of Texas Endowment Trust “the Trust” is a supporting organization of the San Jacinto Chapter, Daughters of the Republic of Texas “SJCDRT”. The Trust is an organization described in Section 509 (a) (3) of the Internal Revenue Code. The Trust was incorporated January 1, 1991 and granted 501 (c) (3) tax exemption status by the IRS determination letter of March 5, 1991. As stated in the Trust documents “income shall be expended for purposes of maintaining a facility for a meeting place and museum devoted to artifacts, history and activities of the SJCDRT as limited by the Articles of Incorporation of the Daughters of The Republic of Texas.” The Trust is administered by 5 trustees designated by the San Jacinto Chapter. Present trustees are: Gwen Kunz, Tamara Phillips, Caroline Gregory, and Esther Simon.
The history of the San Jacinto Chapter and the San Jacinto Battleground are so entwined for the first fifty years that it is sometimes difficult to separate the two. The name, San Jacinto, was chosen for the chapter name in honor of the most significant battle of the Western Hemisphere, which won independence for the new Republic of Texas.

The Daughters of the Lone Star Republic was organized on November 6, 1891, at the home of Mary Jane Briscoe, 620 Crawford, Houston, Texas. The first chapter, the Sidney Sherman Chapter, was organized two days later. Early the following day, on November 9, 1891, the San Jacinto Chapter was chartered, making it the second oldest DRT Chapter. Five months later, the name of the organization was changed to The Daughters of the Republic of Texas at the first annual meeting in Lampasas, April 1892.

Of the seventeen ladies who first met at Mrs. Briscoe’s home, eight became charter members of the San Jacinto Chapter: Mesdames Anson Jones, Andrew Briscoe, E.H. Vasmer, J. R. Fenn, A. B. Looscan, J. J. Mc Keever, and Misses Annie Hume and Belle Fenn. Mrs. Anson Jones, wife of the last President of The Republic of Texas, was elected president of the state organization, and Mrs. J. R. Fenn, was elected first president of the San Jacinto Chapter.

From its beginnings, the San Jacinto Chapter has held a very special interest in the San Jacinto Battlefield, as one of its original purposes was to “acquire and mark the Battlegrounds of San Jacinto where our Republic was born.” In 1891, the State owned about ten acres at the Battleground. The San Jacinto Chapter immediately began petitioning the Texas Legislature to purchase additional acreage. In the early 1900’s efforts were redirected to San Antonio to assist in saving the Alamo, which was accomplished by 1905.
In 1907 the Legislature appropriated the necessary funds to purchase an additional three hundred and fifty acres at the Battleground; however the State Treasury was $400 short. The San Jacinto Chapter donated $400 from its chapter funds to the State and the acreage was purchased. It is a well-known fact that were it not for the San Jacinto Chapter, the San Jacinto Battleground would not exist in its present size today.

In the 1890’s the San Jacinto Chapter worked with the Texas Veterans to “mark” the Battlefield with iron markers. Twenty granite boulders replaced the iron markers on the Battlefield in 1912. Two off-site markers placed by the San Jacinto Chapter are at Vince’s Bridge and the Santa Anna Capture site.

In recognition of their service, legislation provides that a member of the San Jacinto Advisory Board be a member of the San Jacinto Chapter. The President of the San Jacinto Chapter is also an ex-officio member of this Board.

Source – Fifty Years of Achievement, History of The Daughters of the Republic of Texas; Published by Banks Upshaw and Company, Dallas, 1942.
The San Jacinto Battleground is within a few miles of Houston on the banks of Buffalo Bayou. When the San Jacinto Chapter DRT was organized in 1891, its founders decided that the Battleground should be preserved as a lasting memorial to the Texas Revolutionary War veterans. The fledgling chapter took on the campaign of urging the State of Texas to purchase all of the San Jacinto Battleground.

For several years, the chapter courted the state legislators with trips to the battleground, boxed lunches, dances and souvenirs. On July 4, 1894, the San Jacinto Chapter organized a joint excursion with the Texas Veterans Committee to visit and define the boundaries of the battlefield.

When it looked as if adequate funds had not been appropriated by the state to consummate the battleground purchase, San Jacinto Chapter put its treasury at the disposal of the state. It took over four years to purchase three hundred and thirty-seven acres. Once purchased, the strategic battlefield locations were designated and marked. In 1901 a committee comprised of battle veterans and their representatives, state officials and members of the San Jacinto Chapter visited the site and marked locations with temporary iron crosses.

By 1912, San Jacinto Chapter had replaced, at their own expense, the temporary markers with 19 granite boulders. In the years that followed, the chapter encouraged and supported other legislative measures that would beautify the San Jacinto grounds and build appropriate monuments to those who fought and died there.

One of the greatest honors San Jacinto Chapter received was the trust and faith placed by the Texas Veterans Association. The TVA was forced to disband in 1907 because their members were too ill and too old to meet any longer. But before adjourning for the last time, it was resolved that “the holy memories clinging around it should be merged into the patriotic association, the Daughters of the Republic of Texas.”

These old heroes laid aside forever their badges of membership and bequeathed their memories and their deeds for an “undivided Texas” as a precious legacy to the Daughters of the Republic of Texas, by them to be held in trust forever. Funds, slightly over $1,500, which were collected by the veterans to build a monument at the San Jacinto Battleground, were given to San Jacinto Chapter to carry on the work.

Begun in 1936 and completed in 1939, the San Jacinto Monument marks the site of the famous battle between the Texian and Mexican armies, which on April 21, 1836, secured independence for Texas. It now stands as a symbol of that important event in our history.

In recognition of its dedicated service, early legislation provides for a San Jacinto Chapter member to serve on the San Jacinto Park Board.
THE SAN JACINTO BATTLEGROUND SUNDIAL

The large bronze Sundial was commissioned and placed near the San Jacinto Monument by the San Jacinto Chapter. Designed and constructed by the artist Julian Muench, it was dedicated April 21, 1940, to the memory of the nine men who gave their lives at the battleground for Texas liberty. These heroes are Benjamin Rice Brigham, Lemuel Stockton Blakey, John C. Hale, George A. Lamb, William Junius Mottley, Mathias Cooper, Thomas Patton Fowle, Ashley R. Stephens and Olwyn J. Trask.

The building of this memorial was the culmination of years of effort expended by San Jacinto Chapter in its role as trustee of the Texas Veterans Association Memorial Fund, which was placed under the chapter’s control in 1901 by former Governor and TVA founder Francis Lubbock. San Jacinto Chapter, organized November 9, 1891, has as its special commission the San Jacinto Battleground.

“The hours, days, and years of unfolding time shall never dim the spirit of liberty kindled on this field of battle.” Inscription on the Sundial.

FRIENDS OF THE LOG HOUSE
Kae Theilen, President—2013-2015

The *Friends of the Log House* was begun in 1994 during the administration of Past President Jan DeVault as a vehicle to give continued support of this historic building. Past President Pam Covington joined Jan in developing the concept of an auxiliary for the Pioneer Memorial Log House Museum. Mrs. Covington served as the first president of the *Friends* organization. They felt that it was important to have a broad-based donor group to call on for help in maintaining the Log House Museum and furthering its mission.

Membership is open to anyone who loves Texas history and wants to help us foster that passion and enthusiasm. We encourage friends and acquaintances to join us in continuing our mission of preserving the past and protecting the future of our state's history.

Our membership year begins in July each year. An annual contribution is a great help in maintaining the house and grounds. We welcome all monetary contributions (tax exempt) to help us meet our obligations, but also accept donations of furniture, equipment, landscape services, etc. Lastly, we ask that you remember the Log House as a beneficiary in your will.

Many opportunities are available to volunteer your services as a museum docent in our out-reach education to schools and private groups, in hosting programs and special events, in maintaining our gardens and grounds. We welcome our associate members, honorary members, and all Texas history enthusiasts to become a *Friend of the Log House*.

Our membership levels are as follows:

- Texas Star ......................... $ 25
- Silver Star ........................ $ 50
- Shining Star ....................... $ 100
- Gold Star ........................... $ 250
- Lone Star ........................... $ 500
- Platinum Star ................... $ 1,000 and higher

The *Friends of the Log House* appreciates our unique facility and is mindful of our stewardship of the house and grounds. We thank you for your past interest and invite you to share in the continuing effort to support our goals and ideals. Checks can be mailed to the Pioneer Memorial Log House Museum treasurer Ms. Gwen Kunz, 2001 Holcombe, #2901, Houston, TX 77030-4231.

As the year 1936 approached and plans for celebrating the centennial of Texas’ independence from Mexico developed, members of San Jacinto Chapter, Daughters of the Republic of Texas, considered how they might participate. Mrs. George (Sarah Groce) Berlet is credited with the inspiration to build a log house that could be used as a hospitality center for many of the activities that were to take place. In the fall of 1934 she shared with chapter members her idea, along with a drawing of how it should look – with a wide gallery at the front that would welcome visitors. Her rough sketch became the basis for the subsequent design of the house as later interpreted by the architect, Harry Weaver.

The idea was enthusiastically received and the Pioneer Memorial Building Committee was formed, ultimately composed of:

Roxalee Smith Andrews
Virginia Turley Baldwin
Sarah W. Groce Berlet
Mary Belle Smith Harris
Sadie Lee Harris
Madge Williams Hearne
Carrie F. Kemp
Lucille Ware Nagle
Laura Carnal Uerkert
Rosa Allen White
Mary Todd
Mrs. Earl Ramsey, chapter president,

Mesdames Berlet, Hearne, Kemp, and Miss Todd immediately met with Houston Mayor Oscar Holcombe and secured his promise of support.

On February 13, 1935, the committee presented to the Houston City Council the proposal to construct a pioneer shrine “as a landmark for all time and a mecca for Texas Centennial visitors and celebrants in 1936.”
The daughters’ request to locate the log house on city property was approved by the council, with the location to be determined later. All three Houston newspapers covered the meeting and reported on it in their February 14 editions.

To finance the construction, San Jacinto Chapter turned to its members and their friends. They held bake sales, bazaars and luncheons, sold flags and contributed their own money as well. They visited members of the media and generated articles about the project and the need for funds. Although the nation was in the midst of the Great Depression at that time, members raised almost $4,000.

The City of Houston donated land in Hermann Park in honor of its founders, brothers John K. and George Allen. A contract was signed with builder John MacKay on November 27, 1935, and work began the next day. More than two hundred and fifty pine logs were provided by Robert Morris, president of the Sons of the Republic of Texas. They were cut, peeled and saddle-notched. Stones and bricks from early Texas homes were gathered to use in the construction of the large fireplace that spans one end of the building.

Although not completely finished due to weather conditions, the building was dedicated on March 2, 1936, the 100th anniversary of the Texas Declaration of Independence from Mexico. Mrs. C. E. (Marian Hearne) Thornall, daughter of Mrs. Hearne and great-granddaughter of Sam Houston, ‘christened’ the Log House with water from the Brazos River.

Upon completion, the house was furnished with period pieces that reflect the formative period of the Texas Republic. Mrs. J. G. T. (Orlean Allen) Milby contributed funds for a pair of chandeliers made from old wagon wheels rimmed with lanterns, which Mrs. Hearne found in an antique store on Washington Avenue. A spinning wheel was placed near the hearth alongside a rocking chair with a rawhide seat. Two paintings of Texian scouts galloping across the prairie were given by E. N. Gray, a well-known Houston physician and historian, and a grandson of William Fairfax Gray. They are believed to have been painted around 1840 by Harriet L. Rather. Mrs. Penelope Lingan, a Houston artist, presented a bust of Sam Houston in honor of Mrs. Hearne, the general’s granddaughter.

In November 1940, Sinclair Refining Company donated to San Jacinto Chapter a small house, which was moved from its Montrose location to the rear of the Log House to be used as a caretaker’s cottage. In 1950, the Log House and the cottage were moved a short distance to the present location to accommodate the expansion of the Houston Zoo. Each log and stone in the Log House was carefully numbered before it was disassembled and transported to its new site. During the Texas Sesquicentennial in 1986, the Texas Historical Commission placed a historical marker on the Log House recognizing the efforts of the San Jacinto Chapter, Daughters of the Republic of Texas.
On the grounds, the Texas Heritage Garden features plants and trees native to the state as well as those brought by pioneers as reminders of their former homes. Many varieties of roses bloom throughout the year, including a Sam Houston Rose developed by the Antique Rose Emporium during the bicentennial celebration of General Houston’s birth in 1993. On the front lawn is a tree grown from a walnut harvested on the grounds of the school in Maryville, Tennessee, where Sam Houston taught as a young man. A large iron sugar kettle from the China Grove Plantation in Brazoria County, home of General Albert Sidney Johnson, rests near the front door of the house.

Sitting at the edge of the Texas Medical Center in the shadow of world-famous healthcare institutions, the Log House offers a contrast between modern-day Houston, one of the nation’s largest cities, and its beginning as a muddy, backwoods town of early 19th century Texas. In addition to being the meeting place for San Jacinto Chapter and other historical organizations, it provides school children and other visitors with a glimpse of pioneer life in early Texas.

A Christmas Open House is held in December, where the Children of the Republic of Texas, San Jacinto Chapter, sponsor a toy drive for the pediatric unit at Ben Taub Hospital. The Log House is decorated in early Texas style for this annual event, and Friends of the Log House society are recognized.

 CHILDREN OF THE REPUBLIC OF TEXAS

HISTORY

On March 3, 1928, during the DRT General Convention, Mrs. Clara Driscoll Sevier, President General, asked the Daughters assembled to bring young people into the organization to take an active part. A committee was set up to make plans to organize the children into chapters. Members of this DRT committee were Mrs. Joseph Carnal, San Antonio; Mrs. J. T. Cox, Austin; and Miss Bess Ferguson, Palestine. During the DRT Convention one year later, on March 1, 1929, the committee made the following motion, which carried:

That the Daughters of the Republic of Texas sponsor an organization to be known as the Children of the Republic of Texas, such members to be subject to the bylaws of our organization pertaining to membership and objectives and that a committee be appointed to further the same.

The CRT has undertaken projects all over the state, such as cleaning cemeteries, restoring monuments, raising funds to update computers at the DRT Library, marking the graves of the Real Daughters, raising funds for the restoration of windows and doors at the French Legation. Also, the CRT has participated annually as re-enactors in the Fall of the Alamo, assisted with the auctions at the annual gala of the Alamo, and served as pages for the DRT Conventions. Lastly, CRT members assist with historical ceremonies and parades when requested.

Over fifteen thousand children have been members of the CRT and aged out to become members of the Daughters of the Republic of Texas and the Sons of the Republic of Texas.
